

USA Racquetball

Facility Partnership Agreement

USA Racquetball has created a Facility Partnership Program targeted toward developing relationships with health clubs, fitness centers, schools and universities across the US. The goal is to assist facilities with promoting racquetball programs and helping introduce new players to the game.

Requirements:

- Have at least one court
- Willing to help grow the racquetball program
- Willing to post informational flyers about racquetball
- Willing to help get a list of players and their contact info
- Utilize at least one service USA Racquetball offers

Benefits:

- Partnership with USA Racquetball to help grow racquetball in your facility
- Instructor Certification program for anyone looking to teach racquetball
- Secondary insurance coverage for your instructors and sanctioned events
- Ability to reach out for assistance with our National Office Staff when needed
- Press Release about your facility's programs to send out to local media outlets
- "How To" Guide for running RB 101 clinics free of charge for all members
- "How To" Guide for running in-house leagues and events at your facility
- "How To" Guide on running Junior, High School or Collegiate programs

By participating in this program your club will receive a free membership in USA Racquetball's Facility Partnership Program. USAR will be running a national marketing campaign to promote the sport of racquetball and all of its health benefits, driving interested people to our website where they will find a "club locator" tool with detailed information on facilities in their area to contact. Our goal will be to drive new members into your club on a year-round basis.
